Larkridge Metropolitan District No. 1 (District), a quasi-municipal corporation, was organized by order and decree of the District Court for Adams County on May 18, 2004, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located in Thornton, Colorado. The District was established to provide water, storm sewer and sanitary sewer, streets and traffic safety protection, parks and recreation, transportation, mosquito control and other powers.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed at the adopted total mill levy of 38.000 mills.

Revenues (continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7.0% of the property taxes collected by the General and Debt Service Funds, including the Property taxes received through TDA (see below).

Property Taxes Received Through TDA

The District has entered into a Tax Increment Sharing Agreement with the Thornton Development Authority (Authority), dated as of June 9, 2004, regarding the sharing of Tax Increment Revenues generated within the District. The Tax Increment Sharing Agreement provides that in consideration for the District providing public improvements and services, the Authority agrees that the portion of revenues which it receives as a result of ad valorem property tax increments, which are attributable to the District's current and future levy of ad valorem taxes on property within the Development and encompassed by the Urban Renewal Plan, shall be segregated upon receipt and shall be remitted by the Authority to the District within 45 days of the end of each quarter. The District will use such property tax revenue to pay debt service on the bonds or to reimburse the Bank for draws on the Letter of Credit.
